

OAK & EMBER™

REAL WOOD LOGS FOR ELECTRIC FIREPLACES

SOTAFLAME™

Unmistakable Realism

Transform your electric fireplace with the unmatched warmth and realism of the SotaFlame Oak & Ember Real Wood Log Set. Each kit combines hand-charred oak with natural lava rock embers to create a layered, lifelike aesthetic that brings your fire to life. Every log is individually handcrafted and heat-treated for safety, durability, and lasting beauty.

CHOOSE YOUR PERFECT FIT
